

Who We Are

Community Action Society is a non-profit making registered NGO established in 2008. CAS works relentlessly towards the living conditions of the marginalized communities in and around Kolkata. CAS is committed to bring about holistic development through working in the spheres of education of health and livelihood of the marginalized communities, with a special focus on children. CAS has undertaken several development initiatives- education and child protection being the thematic areas of intervention.

Community Action Society

Our Core Objectives

- To empower women and children through education, health and vocational training
- To facilitate NGOs and other like minded organizations to develop research studies and documentation reflecting the development of the society
- To create awareness within the community members so that they become an integral part of Governance.
- To ensure a better and safe environment
- To ensure proper advocacy related to development of women and children.
- Mapping of Out-of-school children in 4 blocks of Malda
- Enroll and retain out of school children in the targeted area;
- Track the children and keep a record of children admitted in school and out of school children
- To provide special training to OOSC and improve retention in each block; Form a consortium of Civil Society Organization representative to promote policy level change
